# WELCOME!

Thank you for supporting Theatre in the Grove by attending today's performance. Theatre in the Grove has been around for OVER 50 years! In 1969, a creative group of friends with a desire to act pulled together a musical and performed it on a grade school stage. Forest Grove residents responded overwhelmingly and Theatre in the Grove was born.

The historic theatre that you are in today was built in 1912 and was known as the Star Theatre then. Over the years, it was used for a variety of purposes and had several names. We are proud to call it home! As with any historic building, this one requires tender loving care. Proceeds from our performances do not cover the maintenance and restoration costs of this building. Therefore, we are dependent on the generosity of our community to support us financially! We are a 501(c)(3) non-profit organization and donations may be tax deductible.

To learn more about our theatre or to make an online donation, please visit [www.theatreinthegrove.org](http://www.theatreinthegrove.org).

## DIVERSITY

Diversity. Inclusion. More than just words in a script to us. Diversity drives innovation. Inclusion creates community. Theatre in the Grove welcomes everyone. All colors, all LGBTQIA+, all countries of origin, all economic status, all religions, all ages and all abilities. We strive to provide a safe and supportive environment to enable all art and artists to thrive for generations to come.
