

School Day Performance

Day of Show Instructions

When to arrive:

- **For the 9:30 AM morning show, your class must arrive by 9:00AM.**
- **For the 12:30 PM afternoon show, your class must arrive by 12:00PM**

Your bus may drop students off immediately in front of our theater at 2028 Pacific Ave, or turn left at Council Street and drop off there. If you are transporting students by car, then there is a parking lot immediately behind the theatre.

Please keep your students on your bus (or other transportation) until our representative comes out to get you. We ask that students come into our theatre in a single file line & we will direct you to your seats. There will be multiple classrooms and schools attending the same performance, so we need for this process to be orderly.

Please remind your students and chaperones on proper theatre etiquette prior to arriving:

- No running in the theatre.
- No eating or drinking in the theatre.
- Entering and exiting the theatre should be orderly and quiet.
- Remain in your seats during the entire show. No one should leave their seats until the show is over unless there is an emergency. This distracts the show from others around you.
- No talking during the show or shouting at the actors. But laughing is perfectly fine!
- We have limited bathroom facilities, so we encourage everyone to use the bathroom before they arrive at the theatre. If a student needs to use the bathroom, we ask that a chaperone escorts them to the bathroom. Our men's room is downstairs, our ladies' room is upstairs, and we have a gender-neutral, accessible bathroom on the main floor.

We will have a representative greet your group and lead you to your seats, **but they are volunteers and are not able to provide any supervision for the children**. This is the school's responsibility.

After the show, we ask that your students exit the theatre as a group, again in an orderly line to load on their bus. Do not loiter in the theatre as we need to prepare for the next show.

We expect that this performance will last 95 minutes, so please have your transportation ready to load students at 11AM for the morning show or 2PM for the afternoon show.

Concessions are unavailable during these performances.
