

January 2025

Dear parent,

Our class is planning a field trip to watch a performance of "Charlotte's Web" at Theatre in the Grove. This live musical performance is based on the popular children's book. The performance is approximately 1.5 hours long and your child will be transported to/from our school using school transportation.

The date of our performance will be: _____

Busses will leave the school at approximately: _____

We will return to the school at approximately: _____

The cost of the show per student is: \$ _____

Charlotte's Web brings E.B. White's beloved story to life on stage in a heartwarming play about friendship and kindness. When Wilbur, a young pig, learns he's in danger, Charlotte, a wise and caring spider, weaves words into her web to save him. With unforgettable characters like Fern, Templeton the rat, and the Zuckermans, this play is a celebration of teamwork, compassion, and the miracles that happen when friends work together.
